SUMMARY

I am a highly skilled graphic designer with expertise in Unity 3D, Blender, Photoshop, Illustrator, and animation. With a Bachelor of Engineering in Graphic Design, I bring a strong creative background to my work. My experience includes creating Graphic Designs, 3D models, textures, and animations for diverse projects, collaborating with development teams to integrate assets into Unity 3D applications, and producing 2D graphics and illustrations for marketing materials. I am known for my ability to solve design challenges creatively and efficiently. My passion for creating visually stunning and engaging content is backed by a proven track record of delivering high-quality work.
